FOR IMMEDIATE RELEASE

To: Paloma Lakes MUD #2 Customers
From: Lisa Torres, General Manager
Subject: Watering Restrictions
Date: 06/26/2017

Paloma Lakes MUD #2 Residents:

No Water Restrictions are in effect; however water waste is prohibited year-round. Water waste occurs with broken or leaking sprinkler heads, overspray into the street or parking area, water running off the property, water ponding in the street or parking area, broken pipes, leaking faucets, misting irrigation, or other controllable leaks

If you have any questions regarding the restrictions, please don't hesitate to contact Crossroads Utility Services at 512-246-1400.
