

WILBARGER CREEK MUD #1 STAGE 1 WATER RESTRICTIONS NOW IN
EFFECT

Wilbarger Creek MUD #1 is currently in Stage 1 of its drought contingency plan that includes voluntary water restrictions. Please refer to III.3.10.A.2-3 in the Order Adopting Revised Conservation and Drought Contingency Plan document for the voluntary restrictions associated with Stage 1. The plan is located on the district's website, www.traviscountymud2.org

Good watering practices are still encouraged.
